1   Description Of Program

1. **Create Characters -** Can create a Role Playing character of a certain standard.

2. **Conform To Ruleset -** Complies with the Pathfinder Rulebook

3. **Exports To PDF -** Allow pen and paper purists an easy way to play in their outdated nonsense. Pens are murdering your environments!

4. **Easy Level Up -**Changing character level is as easy as pressing a single button.

5. **Low Entry Barrier -**You don't need to have played Pathfinder for 500 years to get it to work.
